Coolick National School's Code of Behaviour

Introduction

The school has a central role in the children's social and moral development just as it does in their academic development. In seeking to define acceptable standards of behaviour it is acknowledged that these are goals to be worked towards rather than expectations that are either fulfilled or not. The children bring to school a wide variety of behaviour. As a community environment, in school we must work towards standards of behaviour based on the basic principles of honesty, respect, consideration and responsibility while understanding the modern challenges facing children. It follows that acceptable standards of behaviour are those that reflect these principles. The ethos of Coolick National School dictates that we embrace a holistic approach towards behaviour and endeavour to address children's wellbeing. An example of this would be the school playground; pupils are allowed to gravitate to an area of interest to themselves be it the Tír na nÓg playground, Aistear playground, Astro-Pitch, court or sand pits. We believe that the incidents of misbehaviour are rare here in Coolick National school as children have the opportunity to express themselves and their individual needs are addressed.

In compliance with Section 23 of the Education (Welfare) Act 2000, the Board of Management of Coolick National School has drawn up and made available a Code of Behaviour for its Pupils, Staff and Parents.

The Code of Behaviour details:

1. The standard of behaviour that shall be observed by each pupil attending the school.
2. The measures to be taken when a pupil fails or refuses to observe those standards.
3. The whole school approach in promoting positive behaviour.
4. The procedures to be followed before a pupil is suspended or expelled from the school concerned.
5. The grounds for removing a suspension imposed on a pupil
6. The school's Anti-Bullying Policy; and
7. The procedures to be followed in relation to a child's absence from school.

The Code of Behaviour of Coolick National School has been developed in accordance with

'Developing a Code of Behaviour: Guidelines for Schools', National Educational Welfare Board, 2008.

Policy Formulation

In formulating this policy,

1. This Code of Behaviour has been devised by the school principal in consultation with all staff members, the members of the Board of Management, the senior students and the Parents Association.
2. This policy was devised and reviewed in line with our Anti-bullying policy.
3. Class teachers were requested to discuss the topic of 'rules' with their classes and submit a list of pupils suggestions to the principal.
4. The initial draft of the Code of Behaviour was reviewed and where appropriate amended in-line with the feedback received.

Aims & Objectives of the Code

The aims and objectives of the code are:

- To allow the school to function in an orderly way where children can make progress in all aspects of their development
- To create an atmosphere of respect, tolerance and consideration for others
- To promote positive behaviour and self-discipline, recognising the differences between children and the need to accommodate these differences
- To ensure the safety and well-being of all members of the school community
- To assist school staff, parents and pupils in understanding the systems and procedures that form part of the code of behaviour and to seek their co-operation in the application of these procedures
- To ensure that the system of rules, rewards, and sanctions are implemented in a fair and consistent manner throughout the school.

Whole School Approach

The Board of Management recognises the importance of creating consistent values, policies, practices and relationships that support the Code of Behaviour. Such an environment may only be formed by involving the entire school community and in this respect the Board acknowledges the importance of the roles played by, the principal, teachers, ancillary staff, members of the board and parents in the review and operation of the Code.

Staff

It is the principal's responsibility to ensure the school's Code of Behaviour is administered in a manner that is consistent and fair to all pupils. However, each staff member has responsibility for the maintenance of discipline within common areas of the school.

Teaching staff are specifically responsible for the management of behaviour within their own class. They will:

- Discuss the Code of Behaviour with their class in an age-appropriate manner at the beginning of the school year and when the need to do so arises.
- Ensure the rules are displayed in the classroom.
- Encourage self-discipline and positive behaviour.
- Ensure there is always an appropriate level of supervision.

- Implement the reward/sanction scheme in a fair and consistent manner.
- Keep a written record of all incidents of continued, serious or gross misconduct. This record will indicate the advice and/or warnings given to the child on the misbehaviour and, the consequences of its repetition.
- Inform pupils when instances of misbehaviour on their part are being recorded.
- Report repeated instances of serious misbehaviour to the principal.

Parents/Guardians

Parents/guardians play a crucial role in shaping attitudes in their children which produce positive behaviour in school. Parents/guardians can assist the school by encouraging their children to abide by the school rules, encouraging punctuality and regular attendance and by ensuring that homework is given due time and effort. Parents/guardians can also assist the school by supporting staff in the implementation of the school's Code of Behaviour, its rules and its implementation of sanctions.

Should a parent/guardian be concerned about any aspect of their child's behaviour they are welcome to make an appointment to discuss their concerns.

In cases of an identified pattern of misbehaviour parents will be invited to participate in an intervention process.

Promoting Positive Behaviour

As a general rule the school will endeavour to create an environment where positive behaviour is reinforced through praise and reward. School staff will use encouraging language and gestures, both in class and around the school, so that positive behaviour is instantly recognised and positively rewarded. Special attention will be paid to pupils who have previously been associated with poor behaviour so that not only good behaviour but also improvement in behaviour is acknowledged.

A reward scheme for promoting positive behaviour will be used. Such rewards may include;

- Individual or whole class 'Homework Vouchers'
- Awards and acknowledgement for 'Acts of Kindness'
- Positive written or verbal communication with parents/guardians
- Certificates
- A visit to another class or the principal for commendation
- Individual class merit awards, points awards or award stamp.
- Praise in front of class group
- Small prizes, stickers / stars etc
- Class Dojos
- Golden Time

Inappropriate Behaviours

In order to establish a common understanding and consistent response the Code of Behaviour classifies misbehaviour into three levels based on the degree of disruption caused by the misconduct. The Code also specifies the disciplinary actions and supportive interventions that will be employed.

LEVEL ONE

Level 1: Inappropriate Behaviours

Level 1 behaviours are those that interfere with the orderly learning environment of the school, classroom, and common areas. Students learn through their mistakes. To this extent, responses to the daily misbehaviours, which occur in school, will be developmentally appropriate, instructive and positive. Children will be taught what is expected and how they should behave. Listed below are some examples of the types of misbehaviour that are included in Level 1. Please note the list is not exhaustive.

- Failure to prepare for class, as defined by individual teachers
- Running in the hallways
- Disturbing the work or play of others
- Disrespectful language, tone, or manner
- Ignoring staff requests

Level 1: Disciplinary Actions

Consequences for Level 1 behaviour are dependent upon the severity and frequency of the specific behaviour. Teachers will discipline students at level 1. Some examples of Level 1 responses are:

- Gestured warning – look/whisper
- Verbal reprimand/reminder(s)
- Teacher talks to pupil about their behaviour.
- Reinforcement of alternative positive behaviour
- Within the classroom, pupil may be moved to another table, offside area in the classroom
- Pupil may be sent to another classroom to complete designated work quietly; pupil may be given a behaviour sheet to fill in to emphasise how he can improve his behaviour
- Lose points for class on weekly behavioural competition
- Prescribing additional work
- Loss of privileges
- Parents/guardians to be contacted
- Behaviour contract

Level 1 Supportive Interventions

Listed below are some examples of Level 1 supportive actions:

- Classroom-based interventions, such as Circle Time or class meetings, with the option of informal consultation, (e.g. with parent(s)/guardian(s) or staff members)
- Discussion of behaviour with the child
- Informal notes regarding incident/intervention/date. This information would be useful should a problem persist.

LEVEL TWO

Level 2: Inappropriate Behaviours

Level 2 Behaviours are those that seriously interfere with the orderly environment of the school and are potentially dangerous to the safety and well being of the students and staff. Listed below are some examples of the types of behaviour that are included in Level 2. Please note the list is not exhaustive.

- Repeated instances of Level 1 behaviour which have not been modified by intervention
- Behaviour which is dangerous to self or others (e.g. shoving, pushing, hitting)
- Intentionally damaging school or personal property
- Stealing
- Cheating
- Use of profane or obscene language.
- Derogatory reference to another person's race, gender, religion, physical condition, disability, or ethnic origin
- Disrespectful language or behaviour toward an adult
- Possession or use of dangerous toys or sporting equipment (e.g. bow and arrows, any kind of knives, etc.)

Level 2: Disciplinary Actions

The disciplining of students for Level 2 behaviour is dependent upon the severity and frequency of the specific behaviour and developmentally appropriate levels. The disciplinary actions at Level 2 are administered by the principal, and include the formal notification of parents, with written documentation. Some examples of Level 2 responses are:

- In school supervised detention
- Report submitted to the Board of Management
- Meeting with parent(s)/guardian(s)
- Suspension from school of one to five days, depending on the severity of the Behaviour
- Implementation of extensive behaviour management plan

LEVEL 2: SUPPORTIVE INTERVENTIONS

Listed below are some examples of Level 2 supportive actions:

- Team conference to include classroom teacher, other involved staff, Deputy Principal or Principal.
- Request for assistance from external agencies such as the National Educational Psychological Service, Health Service Executive Community Services, the National Behavioural Support Service, Child and Adolescent Mental Health Services, National Council for Special Education.
- Referral of a Child displaying behavioural problems for psychological assessment (with the parent(s)/guardian(s) consent).

LEVEL THREE

Level 3: Behaviours

Level 3 behaviours are considered the most serious violations. These behaviours endanger the immediate health, safety and personal well-being of the pupils and staff of the school. They represent a direct threat to the orderly operation of the school environment. Situations, which include illegal activity, may result in contact with the Garda Síochána.

Listed below are some examples of the types of behaviour that are included in Level 3. Please note that the list is not exhaustive.

- Repeated or serious instances of Level 2 behaviour which have not been modified by intervention
- Setting fires
- Intentional possession or use of weapons
- Violent fighting or intentionally causing physical harm to others
- Discriminatory or prejudicial activities or actions toward another person or group involving race, gender, religion, physical condition, disability, or ethnic origin

Level 3: Disciplinary Actions

Behaviour at Level 3 may involve suspension from school. The length of the suspension will depend upon the severity and frequency of the specific behaviour. Specific information about due process and procedures in respect of the issuing of a suspension is contained in this document. Level 3 responses:

- Suspension from school for one to five days:

This response will occur with the first incidence of Level 3 behaviour or Level 2 behaviour of significant severity. The Principal following due process and procedure, can issue a suspension.

- Suspension from school for five to ten days:

This response will occur with the repeated incidence of Level 3 behaviour or a severe expression of this behaviour. A suspension of this magnitude will only be issued with the approval of the Board of Management.

- Expulsion:

Repeated incidents of Level 3 behaviour can result in a pupil being expelled.

Misbehaviour in the Playground/Astro-Turf/Yard/other play areas

To pre-empt incidents of misbehaviour on yard, our whole school approach focuses on respect – respect for yourself, respect for others, respect for the environment. We encourage pupils to take responsibility should they accidentally hurt another child, thus showing respect for that individual. A list of possible playground rules are listed below. This list is not exhaustive;

Each pupil is expected to:

- play – safely avoiding rough or dangerous games or play
- follow – the directions of staff on supervision duty
- remain – on school grounds at all times
- obtain – permission before re-entering the school building during break periods
- respect – staff on supervision duty and fellow pupils
- avoid – swearing, fighting or name calling

Incidents of yard misbehaviour will be dealt with as follows.

The teacher on duty who notices misbehaviour or has misbehaviour reported to them, will if warranted and following investigation of the misbehaviour;

- Impose a period of “time out” where the student will be asked to remain in a specified place until told to return to play;
- Record the details of the incident, pupils involved and sanction imposed in a Playground Incident Book.
- Inform the class teacher.

Three recorded incidents of misbehaviour in a one month period and the child will be removed from the yard for a full breaktime. The principal will speak with the child and the parents will be informed.

It is envisaged that the teacher on Supervision duty will deal with the incidents of misbehaviour and sanction accordingly.

Pupils with Special/Behavioural/Emotional Needs

Pupils with special needs will be required to follow the school’s ‘Code of Behaviour’ but teachers will use their professional judgment in the application of the Code.

Teaching the rules to children with SEN and helping them understand behaviour and its consequences will be a main focus of teacher’s work.

Parents of these children will be kept informed of their child’s behaviour on a regular basis and may be requested to work with the school in devising effective strategies to help the child to improve his behaviour. This may involve working and co-operating with a Special Needs

Assistant, and/or agreeing a behaviour plan or Support Plan. Support services such as NEPS, the SENO and the NEWB may be involved in this context.

Procedures for Suspensions & Expulsions

Suspension: Definition of Suspension:

‘Requiring the student to absent himself/herself from the school for a specified, limited period of school days’ as per ‘Developing A Code of Behaviour: Guidelines for Schools, National Educational Welfare Board’

Authority to Suspend:

The Board of Management of Coolick National School has formally and in writing delegated the authority to impose an ‘Immediate Suspension’ to the Principal Teacher. An ‘Immediate Suspension’ may be for a period of one to three school days depending on the severity of the specific behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

Furthermore, the Board of Management has formally and in writing delegated to the Principal Teacher the authority to impose an ‘Automatic Suspension’ for named behaviours detailed in this policy. An Automatic Suspension may be for a period of one to three school days depending on the severity of the specific behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

The Board retains its authority to suspend a student in all other cases/circumstances.

Immediate Suspension and Automatic Suspension

An ‘Immediate Suspension’ will be deemed to be necessary where after a preliminary investigation the Principal reaches the determination that the continued presence of the pupil in the school at the time would represent a serious threat to the safety and wellbeing of pupils or staff of the school. An ‘Immediate Suspension’ may be for a period of one to three school days depending on the severity of the specific Behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

In no circumstance will a student be sent home from school prior to his parent(s)/guardian(s) being notified. Formal written notification of the suspension will issue in due course, but no later than 2 school days after the imposition of the suspension. Such a notification will detail:

- the reasons for the suspension
- any study programme to be followed
- the arrangements for returning to school, including any commitments to be entered into by the pupil and the parent(s)/guardian(s).

The Board of Management acknowledges that the decision to impose either an Immediate or Automatic Suspension does not remove the duty to follow due process and fair procedures. In this regard, and following a formal investigation, to be completed no later than 2 school days after the incident the Board will invite the pupil and his/her parent(s)/guardian(s) to a meeting to discuss;

- the circumstances surrounding the suspension,
- interventions to prevent a reoccurrence of such misconduct.

The Board of Management of Coolick National School acknowledges the fundamental importance of impartiality in the investigation process. In this regard the following undertaking is given;
